On Jun 11, Reed Tradex hold "Vietnam Manufacturing and Electronics Industries Focus#5" forum at Sheraton Saigon Hotel & Towers, HCMC, Vietnam.

It is one of the promotional activities within the frame of Metalex Vietnam 2009 before this exhibition is officially opened from Oct 08-10 at Saigon Exhibition & Convention Center (SECC).

According to Ms. Nichapa Yoswee, Managing Director of Reed Tradex, Thailand's leading exhibition and conference organizer, Metalex Vietnam 2009 will be ever bigger despite of the current economic situation. The organizer has got a list of more than 200 exhibitors to join the show and it is supposed to break last year's record. Mitsubishi, Haco, Trumpf and Amada are also in the participation list.

With 25 years of experience in organizing exhibition, Ms. Nichapa Yoswee proudly said that there is no other organizers have such many preshow activities like Reed Tradex. It has added the value to exhibitors to make Metalex Vietnam 2009 a successful event.
