METALEX Vietnam 2009 to welcome bigger and new international pavilions

www.SAGA.vn - As the only world-class trade exhibition and conference on machine tools and metalworking technologies in Vietnam, "METALEX Vietnam 2009" has received strong supports from both local and overseas government and private industry authorities alike. In the show, over 10,000 manufacturing industrialists and traders from across Vietnam and other countries will have their business connections forged with foreign suppliers who can be their future partners in international pavilions.

From Japan, the Japan Pavilion will be bigger than last year with support from Sanjo Trade Promotion Association. Thailand Pavilion will receive supports from three prominent authorities namely the Board of Investment of Thailand, the Department of Export Promotion, and the Office of Small and Medium Enterprise Promotion.

The show will also welcome new International Pavilions; namely China Pavilion with support from China Council for the Promotion of International Trade (CCPIT), Germany Pavilion, Turkey Pavilion, and UK Pavilion. These names ensure new technologies and new business opportunities for both the Exhibitors and Visitors of the show.

METALEX Vietnam 2009 and its on-site activities such as conference will be the most cost-effective marketing and sales stage on which 500 global brands from 25 countries can launch new technologies to and secure business deals and connections with over 10,000 manufacturing industrialists from all of Vietnam.

As a part of "METALEX," the largest event in ASEAN, global network and pre-show activities that probe into the business hearts of Vietnam such as exclusive seminars for local industrialists and buyers' factory visits will pull the right people to the show.

Strong support from the government of the country that is ranked 4th as top-ten dynamic markets of Asia is generating sustaining and new opportunities, and those opportunities will be magnetized into METALEX Vietnam, where excellence of manufacturing will be forged and pinnacle of business success will be reached.
