

## Webinar

### IRONCAD: The Fastest & Easiest Way to 3D Design

Mr. Mironu Kawabata

Head of the Eastern Japan Sales Group of CreativeMachine, Ltd.

**Time**      **Program**

**14.30**      **Presentation**

- The basic operations & special features of IRONCAD
- Dual modelling kernel technology
- Mechanisms of models with constraints
- icROBOSim
- 3DGenerator
- Sheet metal function
- Comparison of IRONCAD to other company CADs

**15.00**      **Q&A**

*(Program as of 10 Oct 2020)*
