METALEX 2022 EXPO OPENS TODAY!

Welcome back!

The year's premier metalworking trade show, METALEX Vietnam 2022, was welcomed back today by prominent businessmen, dealers, and metalworking aficionados. Don't pass up the opportunity to see hundreds of solutions and product demonstrations that can help you optimize your company's workflow.

SUPPORTING INDUSTRY SHOW

This year, the Ho Chi Minh City Office of the Japan External Trade Organization (JETRO) will cooperate with the Ho Chi Minh City Trade and Investment Promotion Center (ITPC) and the Ho Chi Minh City Supporting Industry Development Center (CSID) to host Supporting Industry Expo 2022, co-located with METALEX Vietnam 2022 (MXV) organized by RX Tradex Vietnam.

Shaping the Future of Manufacturing

With the focus on "Shaping the Future of Manufacturing," METALEX Vietnam promises to be the ideal forum for the exchange of cutting-edge concepts, commercial know-how, and inventive solutions between all major international technology suppliers and the domestic mechanical manufacturing industry.

Seminar: Wire Arc Additive Manufacturing (WAAM) and Potential Applications

Setting the stage for the day, a panel discussion was held to talk about the wonders of metal additive manufacturing with a look at the current state of the industry and several key technologies used to process metal parts.

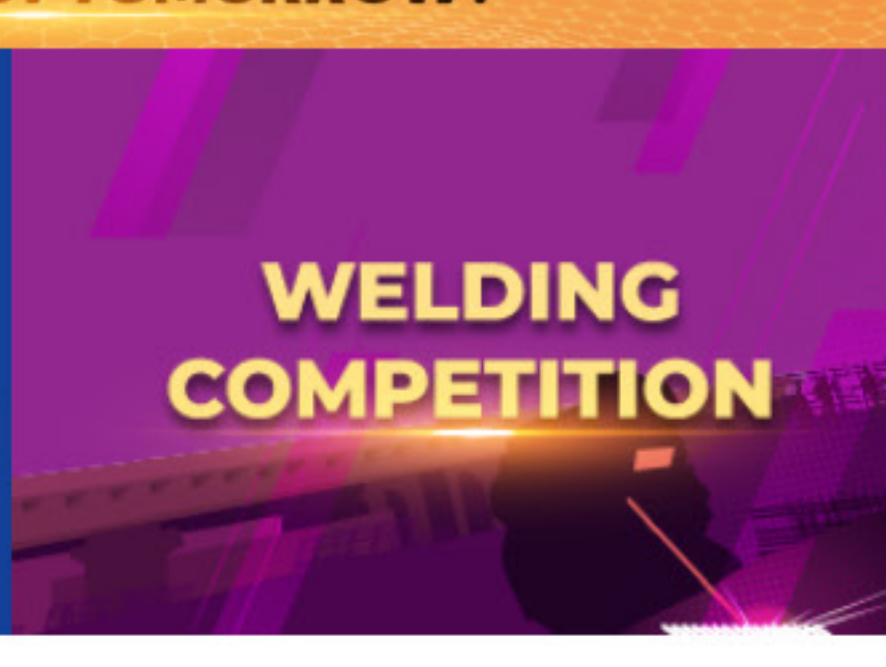

WHAT TO EXPECT TOMORROW?

09h30 – 12h00 Seminar and Technology Runway with ACCURETECH Key topics to look out for:

- Creating a runway for Technology Innovation
- Technology commercialization

Final Round: Welding Competition 2022 Come support the teams in the welding competition's final round on October 7 to determine who is the best and finest in the field. This competition is co-hosted by the Vietnam Welding Society.

Don't miss the most thrilling occasion for Vietnam's manufacturing industry! Join us and be among the first to see a top-notch expo packed with innovations, information, and business prospects!
