# 1. Introduction

Reed Tradex in conjunction with Vietnam Welding Society (VWS) would like to **introduce “Welding Competition 2022”** under the 15<sup>th</sup> edition of Vietnam’s International Exhibition on Machine Tools & Metalworking Solutions for Production Upgrade – **METALEX 2022**.

The competition is known as the biggest vocational education and skills excellence event that truly provides a platform to young people and teams from all regions in Vietnam to show their skills and talent as well as to network among metalworking community.

## 2. Format

### a. Venue:

- The competition has 2 rounds: preliminary round and final round.
- The Elimination round will be organized in 2 places: Quang Ninh, Ba Ria Vung Tau.
- Final round will be organized on 7<sup>th</sup> October 2022, at Saigon Exhibition and Convention Center (SECC), Ho Chi Minh City.

*\*The elimination round winners will compete in the final round.*

### b. Timeline:

- The contest will be officially launched in April 2022.
- Elimination Round:
  - + Quang Ninh: College of Industrial and Constructional Uong Bi (27<sup>th</sup> May 2022)
  - + Vung Tau: Petrovietnam Manpower Training College (26<sup>th</sup> August 2022)
- Final Round: 07<sup>th</sup> October 2022 at SECC, Ho Chi Minh City.

### c. Competition Format:

- The competition will be held in team. In the preliminary, there are maximum 20 teams per region.
- Team member: 3 people.
- Teams will receive points after their performance. The top three teams in each province's elimination round will compete in the Final

### 3. Exam & Participant

- Topic would be based on WorldSkills Competition and tailored-made for Vietnam Welding Community.
- Competing teams would have to weld 3 welded structures for carbon steel CT3, stainless steel SUS304 and A5053 aluminum alloy.
- 3 welding methods (SMAW, GMAW, GTAW) in different welding positions would be required.
- Participants: welding engineers, technicians, managers, teachers and trainers in welding industry.

## 4. Awards

- Elimination Round: Certificates and expenses for the winning teams to participate in the final round in Ho Chi Minh City.
- Final Round:
  - 1<sup>st</sup> place winner: 20,000,000 VND
  - 2<sup>nd</sup> place winner: 10,000,000 VND
  - 3<sup>rd</sup> place winner: 5,000,000 VND
